

Your Question for Grace

Download in Adobe Acrobat and fill in form digitally

Your name: _____ Country: _____

- 1 What's playing on your mind today? Think about and state your concern or challenge briefly so you learn how not to be overrun by too many thoughts.

- 2 What's going on under the surface (as far as you know)? Use your intuition to dig a little bit so you can learn how to trust yourself. Dig deeper using your knowledge of the past so you learn how to rely on your own wisdom.

- 3 What specific question would you like to ask Grace? Submit your online question by emailing it to Grace at grace@gracegedeon.com
